**DEFENDANTS’ UNOPPOSED MOTION FOR LEAVE TO FILE EXCESS OF PAGE
LIMITS OF MOTION TO DISMISS PLAINTIFFS’ CONSOLIDATED COMPLAINT**

Defendants Cassava Sciences, Inc., Remi Barbier, Lindsay Burns, Nadav Friedmann, and Eric J. Schoen (collectively “Defendants”) hereby move for leave to file the attached Motion to Dismiss Plaintiffs’ Consolidated Complaint for Violations of the Federal Securities in excess of the page limit set by local rule CV-7(C). Specifically, Defendants request a page limit of 35 pages, exclusive of the caption, the signature block, any certificate, and any accompanying documents. Plaintiffs do not oppose this motion. Defendants respectfully show the Court the following:

1. This is a complex class action securities lawsuit where Plaintiffs have filed a 170-page Consolidated Complaint for Violations of the Federal Securities Laws (the “Consolidated Complaint”) that asserts dozens of alleged misstatements spanning 526 paragraphs. Plaintiffs allege these statements were made during a putative class period spanning almost two years, September 14, 2020, through July 26, 2022.

2. In order to appropriately address the numerous allegations raised in the 170-page, 526 paragraph Consolidated Complaint, Defendants seek to file a Motion to Dismiss the Consolidated Complaint in excess of the 20 pages permitted by local rule CV-7(C). Accordingly, Defendants request the Court’s leave to file a 35-page Motion to Dismiss the Consolidated

Complaint.

3. Defendants conferred with Plaintiffs regarding this motion on October 7, 2022, and Plaintiffs do not oppose a page extension, provided that Defendants agree that Plaintiffs are entitled to an equal number of pages for their response. Defendants agree that, should the Court grant this request, that Plaintiffs are entitled to an equal number of pages for their response.

Dated: October 24, 2022

Respectfully submitted,
